

# Benefits of Participating with a Team

## ☆ **STRENGTH IN NUMBERS**

A team brings together a collective force of passion and dedication. Rally friends, family and colleagues to join your cause!

## ☆ **FRIENDLY COMPETITION**

Creating a team introduces a friendly element of competition. Challenge other teams or individuals within your network to see who can raise the most funds.

## ☆ **SHARED RESPONSIBILITY**

Fundraising can be a rewarding yet challenging endeavor. Building a team allows you to share responsibilities, providing each member with specific roles and tasks. This collaboration ensures that no one feels overwhelmed, and everyone contributes to the team's success. The Team Captain(s) can ensure that everyone is on the right track!

## ☆ **TEAM SPIRIT BOOSTS MORALE**

Being part of a team fosters a sense of camaraderie and shared purpose. Celebrate victories together and lift each other up during challenges.

## ☆ **EXPAND YOUR NETWORK**

Each team member brings their own network of connections. By combining forces, you open the door to new supporters who may not have been reached otherwise. Diversify your donor base and make significant impact.
